

Please note that due to the ministerial directive, visits to residents are not permitted as of September 25. However, visits for humanitarian purposes and by caregivers providing significant assistance are permitted.

This is a preventative measure to protect our seniors.

We are aware that this decision may cause inconvenience.

Rest assured that it is taken in the best interests of our residents, as our priority is to ensure their safety and that of our employees.

We invite you to visit excelsoins.com to monitor the situation.

Please contact us via tousensemble@excelsoins.com if you have any questions or comments.

Thank you for your understanding.
